Children's Librarian

Do you have a passion for transforming the lives of children and their caregivers?

Do you thrive on creating connections while hosting storytimes and school tours?

Would you love working with a collaborative team developing new, innovative programs and participating in community outreach?

Are you technology savvy and continually looking for new ways to engage and connect with the community?

If you answered yes to these questions, the half-time librarian position in Pleasanton is for you!

Requirements

- Bachelor's + two years working with children in a public library or MLIS
- + Knowledge of:
 - Exceptional customer service
 - Trends in library services for children and families
 - Child development
 - Age appropriate programming
 - Basic graphic design, web design and marketing
